## SPONSORSHIP PACKAGE

OCTOBER 5<sup>TH</sup> 2026 AT MONTREAL'S  
GOLF SAINT-RAPHAËL COURSE

# HELP AWAKEN THEIR POTENTIAL

## ABOUT OUR MISSION

With over 670 students, Summit School is one of Canada's largest schools serving youth with neurodevelopmental conditions. Summit School's Annual Golf Tournament is a must-attend fall event in Montreal, bringing together over 150 golfers to raise vital funds for our Job Integration Program as it is funded primarily through donations.

For more than 30 years, Summit's Job Training Program has partnered with local businesses to provide real job training placements for neurodivergent students—helping them build confidence, independence and pathways to meaningful employment.

Every golfer, sponsor and donor directly supports students as they transition from school to the workplace with the guidance of dedicated Job Training Coaches who bridge the gap between training and independence.

## WHERE THE FUNDS GO:

- Job training placements with Montreal employers
- Dedicated Job Training Coaches for each student
- Workplace readiness and life-skills training
- Building partnerships with inclusive employers
- Expanding opportunities for independence and employment

## ABOUT THE EVENT:

Held this year at the beautiful Golf Saint Raphael course, Summit School's Annual Golf Tournament brings together corporate leaders, community partners and families for a memorable day of golf, networking and celebration.

Organized by parents and friends of Summit, the event has raised hundreds of thousands of dollars over the past decade while showcasing the abilities of Summit students and celebrating the Montreal businesses that support their employment journeys.

**SUMMIT SCHOOL’S JOB TRAINING AND  
INTEGRATION PROGRAM**

The Summit School Annual Golf Tournament celebrates the school’s Job Integration Program. For over 30 years, this program has worked with Montreal businesses to find job training placements for our neurodiverse students. Sometimes, these placements lead to employment, but in every case, they lead to personal and professional growth for our students. The program is unique in that each student is supported by a Job Integration Coach who bridges the gap between training and independence. This program is funded primarily through donations, so each and every golfer, sponsor and donor are directly impacting our students’ chance at the future they deserve.
