STUDENT TRANSPORTATION

Summit School offers school bus transportation to most students on the island of Montreal. (See the limits of transport within this document). Many of our students, as they get older are travel trained. We strongly encourage this for our older students as it enables them to become as independent as they can possibly be. Please read through the transportation guidelines in order to ensure the safe arrival and departure of all of our students.

At Summit School the well-being of our students is paramount. The following guidelines are to ensure student's safety at all times.

Students who take the School Bus:

- Summit School has engaged the services of the Seguin Bus Company.
 - *The Bus Company's number is **(450)622-8242***
- The school will make arrangements for the student's transportation.
- The bus driver will contact you to inform you of the route, bus number, and time of pickup and drop off a few days before the start of school.
- We try to have a bus monitor on each bus although this may not always be possible.
- Parents/guardians **MUST** have their children ready for pick up and **MUST** be present when the child is dropped off.
- **The pick-up and drop-off addresses must be confirmed with the office no later than June 30.**
 - *Addresses must be consistent throughout the school year - cannot change month to month.*
 - *Please limit the number of addresses to two (i.e - mother/father living at separate addresses).*
- **NO** changes to pick up or drop off can be made.
 - *The buses are all full and it is very difficult to fit other students on.*
 - *This prevents errors.*

Please note some of the routes may be long and some pick up and drop off times may not be ideal; the bus company is doing their best to accommodate everyone. At the beginning of the year routes will be a little slower, please give it a few weeks.

The limits of door to door service are as follows:

- North - Ste. Rose Blvd, Laval (common pick up point - Jules Vernes school)
- North West – Mont Sauriol, Laval
- North East - Papineau (rte.19), Laval
- South East – Verdun
- South West near the Hwy 20 – Ste. Anne de Bellevue. Ile Perrot-common pick-up point – Tim Horton's Don Quichotte or NDIP community centre corner of St. Joseph & Don Quichotte. Pincourt / Vaudreuil Dorion - common pick up point - Pincourt Bowling
